You must select a newsletter to subscribe to. We hung pictures on the walls. The size and location of a house may reveal basic facts about our financi In a world of extreme makeovers, this book is a thoughtful, adventure-filled, witty look at what the space we live in says about us, the pleasures of home renovation projects great and small, and how home renovation can change our lives.

Jan15,Lobstergirlrateditlikedit.FriendReviews. More books from this author: David Owen. For example, Owen's discussion of the various materials available for kitchen countertops he and his wife ended up using three different materials in different areas because they were used for different purposes could be compared with a Consumer Reports review, except that Owen is several orders of magnitude more entertaining to read. Inhe saved the life of a six-year-old neighbor, Billie Cassin, who grew up to be the actress Joan Crawford.

Youmayopt-outatanytime.Sep27,Jeffrateditlikedit.Read this as a recommendation from the Spilled Milk podcast. It's funny, because I see myself a lot in the text and have often felt silly in similar circumstances.
