From the very beginning of the book Andrews paints a picture of the Sun Ranch for the reader. Just over the border from Yellowstone National Park, the Sun holds giant herds of cattle and elk amid many predators—bears, mountain lions, and wolves. So much for Federation medicine then! KirkusReviewsIssue:Feb. Skip to content. Not to mention, the crew all start talking in wildly terrible Oirish brogues too and affect cripplingly embarrassing stereotypical mannerisms. More filters. GreatScott!Whatanawesomebook!The Day Arrives I was pretty calm, and relaxed about the approaching date, although my sleeping patterned had gone to hell. Curiously it also gives Roxann Dawson a chance to strip down, and later strip off all together for a shower scene.
