April 24, - Relatives at the funeral of a victim of the terrorist attacks in Sri Lanka. This is what cancer biologists and oncologists can learn from lessons learned in the war on terror: to think beyond killing as many enemies as possible. SAIS Review JustamomentwhilewesignyouintoyourGoodreadsaccount. We cancer researchers have not learned, let alone learned to learn, from the war on cancer. International terrorism—the victimization of unarmed civilians in an attempt to affect their support for the government that leads them—is a phrase with which Americans have become all too familiar recently. Viewlcomment.To his credit he appears to hate everyone with equal passion.
