We took an instance from reality and stated the term we have given to the definition of its concept. Now, I understand that we often use language in these, and similar non-literal, vernacular, socially understood ways. Like this column? Andasofthiswriting,mostdocumentauthorsfailtoprovidedefinitionsfor Used to make a negative. Used to connect verbs. Like all good definitions, we began with the category into which the term fit, followed by the differentiators for the term.
