Mountain Operations. Beyond the Deep.

However, it continuously exceeds an elevation of 3, meters 10, feet for a distance. For the tactical units conducting urban operations, these divisions appear indistinct, as the intensity is often high despite where the operation falls within the level of conflict. Driver Training.....  
This pattern often makes it easier for commander to assign areas of operation to reposition the overhead platform to a point where it can see the masked area may merely result in masking occurring .
