The explanations of the poetry are as vague and wooly as the poems themselves. Thus from the contrast between the official language of love and the unofficial facts of life is born a dream of what this pain, this passion, this obsession, this belief, this relation, ought to be. This is a refined introduction to Rilke via the problems of translating his poetry to English.

OrderacopyCopyrightorpermissionrestrictionsmayapply. Gass doesn't throw a lot of German into this book, and you don't need to know German to get one of the main points, which is that every translation ought to be based on a good readingnot just a linguistic rendering, and that translation

Spellbinding. Jul 26, Phillip rated it really liked it
