Luckily, I used to live in Japan for 1 year and have been to different cities in Japan and Hiroshima is one of my favorite cities in Japan. Tasmania is just a short 45 minute flight from Melbourne on the mainland, or a little over an hour from Sydney, and is much cheaper to visit than the rest of Australia... what more reasons do you need to visit!? But there are room for one more on the list.

The ruins are in Tikal National Park, a biosphere reserve protecting the forest. Retrieved 11 August Standing guard nearby, and almost as impressive, is the Sphinx, gazing blankly out over the land. This ancient city of Incas cascades down steep walls on each side of the mountain, with terraced steps that disappear over cliff edges into the valley.

includes an introductory essay that explains the heritage
principle under study--the challenges of scale in the
environment of a city or large complex--and its development as
seen in the policy instruments of ICOMOS, UNESCO, and other
major heritage organizations.
