Months were devoted to the preparation of the Irish text of the Constitution, and, nevertheless, after the period of amendment by legislation has passed, it is now discovered that the text of the Constitution contains several ambiguities, and the meaning attributed by the Taoiseach to many parts of the Constitution is seriously challenged by competent scholars who are not inclined to disagree with him and who would like to accept his interpretation, but who say that interpretation could not legally be attached to Carraig agus Cathair: O Direain (Irish Edition) phrases and sentences used. I am interested in it only from the Irish point of view – I am not interested in any small matters – in increasing the use of Irish in our lives, and I must say that the belief I have come to, with no other aim in mind than the development of the language and its increasing use in our lives, is that one of the things that would help us most would be to get a standardised spelling. An Giall 9.
