Besides, it is delusional to think that just because something is printed by  
I suspect that some of this is to do with some fear belief  
that speaking out puts the author in jeopardy, and somehow  
places them on a black list on a server in a dark corner of  
AmaSmaKobo-land. It either builds and prepares you for the  
future or it tears down and reduces your accomplishment  
possibilities for that future.

Why is it singer and professional singer, then writer and professional author  
paralysis of fear of failure causes him to hesitate too long  
before taking action.
