The description of the house and the building where they stay gives a claustrophobic feeling, which the reader hopes to escape with each character, again to move into a new and equally claustrophobic setting. As the youngest son of a family of seven children, he enjoyed attention and affection and relished his happy childhood. The trilogy reflects the cultural and political development of a society in turmoil under the pressures of the British occupation, and draws a highly detailed map of Egypt's political orientations.

IstillconsiderthatinvolvementoneofthemostimportantthingsIhavedone day in that first summer knowing that he went every other week to Alexandria in that season by the Superjet bus, I bought a ticket and discovered after paying for it that we shared the left front seat, behind the driver, which turned out to be his usual spot.
